

Broken Picture

The Bates

Broken picture

Feeling all alone
waiting for a ring on the telephon
and all the bottles are empty now
and your picture is broken!

I won't get up anymore
my place is here down on the floor
No I won't get up anymore
and your picture is broken.
(Instrumental)

So much time to lose
nothing left to choose
I like to change it
yes I do
BUT YOUR PICTURE IS BROKEN

I won't get up anymore
my place is here down on the floor
No I won't get up anymore
and your picture is broken
