

# Down The Up Escalator

The Bates

Down the up escalator

What's snow-white  
In the middle of the night  
Fall deep-down  
in the middle of the underground  
..... in the shape  
baby it's much too late  
What's snow-white  
In the middle of the night

DOWN THE UP ESCALATOR  
DOWN THE UP ESCALATOR

Fuck this shine  
Baby, you look so fine  
Oh, come on  
It's time to have some fun  
Shake around to the sound of the underground  
Fuck this shine  
Baby, you look so fine
