The Bates

Everybody's got a poison heart  
That what I know now but it's not so hard  
Everybody's got a poison mind  
I know  
And I can handle it  
Yeah, I'm gonna handle it right now  
I'm gonna get me a poison heart  
I'm gonna be though I'm gonna be hard  
I'm gonna get me a poison mind  
I'm gonna be a slack I'm gonna be unkind  
And I will handle it  
Yeah, I'm gonna handle it right now
