The Bates

Everybody's crazy now Everybody's free Girl you made me happy So that all the world could see And we walked together A piece along the way Maybe we will meet again some day It's gonna be Okay

Everybody's crazy now Everybody's free Girl you made me happy So that all the world could see And we walked together A piece along the way Maybe we will meet again some day

It's gonna be Okay OKAY (Instrumental)

Everybody's crazy now Everybody's free Girl you made me happy So that all the world could see And we walked together A piece along the way Maybe we will meet again some day It's gonna be Okay Itr's gonna be Okay Itr's gonna be Okay Itr's gonna be Okay
