

Rowdy Blues

The Be Good Tanyas

Well I ain't gonna marry
Neither settle down
I'm gonna sit right here
'Til I tear this barrel house down

Ain't no use a weepin' and there ain't no need to cry
Because you got a home
Just as long as I got mine

Well I loves you baby
And I'll tell the world I do
I don't love nobody
In this whole round world but you

Did you get that letter
Mailed in your backyard
Well it's sad what they said
But your best old friend had to part
