

# Rockers Downtown Upstyling

The Beautiful Girls

rockers in the morning time  
rockers in the evening time  
rockers on the beat this time  
rockers in the room take over  
go!

born in the middle of a vacant lot  
way out on the edge of town  
crows in a murder, nursing broken wings, set me to the ground  
while off in the distance, in the city lights,  
played all those pretty sounds  
lord  
once, in a dream i had,  
i'd been grown up,  
made me a big name uptown

oh lord  
lord, do you hear me now? (2x)  
play me that rockers sound

killed every bar and dancehall in town  
cold heart like a switchblade knife  
rewind the beat a minute, bring in the bass  
oh

better run for your life  
bring in the echo,  
the rhythm,  
the treble.  
keep on stepping away  
from all the blood, the dust,  
the gunshots  
don't stop  
let the music play

oh lord  
lord, do you hear me now? (2x)  
play me that rockers sound

and i can feel it coming in the air tonight, oh lord  
and i've been waiting for this moment all my life, oh lord

we just keep on pushing up  
we just keep on pushing up  
we just keep on pushing up  
we just keep on pushing forward
