

## Burned Out And Broken In

### The Beautiful Mistake

i feel, like the one who can't break up  
am i unwelcome, should i leave with all my doubt  
i know, these feelings always pass  
but tonight i'm all alone, should i just ask

i can't sleep with these objects closing in  
i'm short of breath\*  
i'm tired, i'm tired of running  
even my dreams, they seem to take effect  
i'm losing it  
i'm losing it

you say, you'll lighten up my load  
my back is broken,  
maybe i should just stay home  
you say, you'll hold me in these times  
so wrap your arms around me,  
and ease my troubled mind

i can't sleep with these objects closing in  
i'm short of breathe\*  
i'm tired, i'm tired of running  
even my dreams, they seem to take effect  
i'm losing it  
i'm losing it  
time steals my heart, feeling naked once again  
i can't move i'm tired  
tired of running (tired of running)  
tired of running'
