## **Don't Stop Moving**

## **The Beautiful South**

DJ's got the party started There's no end in sight Everybody's movin to the rythym thats inside It's a crazy world But tonight's the right situation Don't get left behind

I can feel the music Moving through me everywhere Ain't no destination baby We don't even care There's a place to be If you need the right education Let it take you there

Just go With the magic baby I can see it there in your eyes (I can see it there in your eyes) Let it flow and stop the waiting Right here on the dance floor Is where you gotta let it go

Don't stop movin' Can you feel the music DJ's got us going around, 'round Don't stop movin' Find your own way to it Listen to the music Taking you to places that you've never been before Baby now

You can touch the moment Almost feel it in the air Don't know where we're goin Baby, we don't even care Ain't no mystery Just use your imagination Let it take you there

Just go With the magic baby I can see it there in your eyes (I can see it there in your eyes) Let it flow Stop the waiting Right here on the dancefloor Is where you gotta let it go

Don't stop movin' Can you feel the music DJ's got us going around, 'round Don't stop movin' Find your own way to it Listen to the music Taking you to places that you've never been before Baby now

Forget about your fears tonight

Listen to your heart Let's just touch the sky (listen to your heart) No need to reason why Just listen to the sound Let it make you come alive

Don't stop movin' Can you feel the music DJ's got us going around, 'round Don't stop movin' Find your own way to it Listen to the music taking you to places that you've never been before Baby now Baby now

DJ's got us moving around, right 'round, right 'round DJ's got us moving around
