

Perfect 10

The Beautiful South

She's a perfect 10, but she wears a 12
Baby keep a little 2 for me
She could be sweet 16, bustin' out at the seams
It's still love in the first degree

When he's at my gate, with a big fat 8
You wanna see the smile on my face
And even at my door, with a poor poor 4
There ain't no man can replace

'Cause we live our life,
in different sizes
I love her body, especially the lines
Time takes it's toll, but not on the eyes
Promise me this, take me tonight

If he's extra large well I'm in charge
I can work this thing on top
If he's XXL well what the hell
Every penny don't fit the slot

I get anorexic chicks, who model 6
They don't hold no weight with me
Well 8 or 9, well that's just fine
But I like to hold something I can see

'Cause we live our life,
in different sizes
I love her body, especially the lines
Time takes it's toll, but not on the eyes
Promise me this, take me tonight

I've bought a watch, to time your beauty
But I've had to fit a second hand
I've bought a calendar, and every month
Is taken up by lover man

'Cause we live our life,
in different sizes
I love her body, especially the lines
Time takes it's toll, but not on the eyes
Promise me this, take me tonight

'Cause we live our life, in different sizes
I love her body, especially the lies
Time takes it's toll, but not on the eyes
Promise me this, take me tonight
