

# Lonely Lonely

The Belle Brigade

I got a friend, doesn't talk to me  
He doesn't tell me what is going on  
He doesn't like it when I open up  
Oh and I got a friend who's a lot like me  
I never tell her what is going on  
She's always asking me to open up  
I guess I never really have the guts

Why does it get so hard sometimes  
I know you wanna get high at night  
Why does it get so hard why does it get so  
Lonely lonely, lonely lonely

Remember when we were younger and  
All we thought about was growing up  
But we could never really grow enough  
Oh and you blink an eye and you're looking back  
Now what you had then is what you lack  
And all you're saying is remember when  
You're always trying to get back again

Why does it get so hard sometimes  
I know you wanna get high at night  
Why does it get so hard why does it get so  
Hard sometimes I really wanna get high tonight  
Why does it get so hard why does it get so  
Lonely lonely, lonely lonely  
Lonely lonely, lonely lonely  
Lonely lonely, lonely lonely  
Lonely lonely, oh it gets so  
Lonely lonely, lonely lonely

Why does it get so hard sometimes  
I know you wanna get high at night  
Why does it get so hard why does it get so  
Hard sometimes I really wanna get high tonight  
Why does it get so hard why does it get so  
Lonely lonely, lonely lonely  
Lonely lonely, lonely lonely
