

## If Only

## The Beloved

Forgive me such idle repetition  
But I'm not stirred by this competition  
Too soft to be unmoved  
But enough is enough  
To have the power to do whatever I choose

Anything on offer is forbidden  
I disgust myself, I'm too all-forgiving  
What's enjoyment, what is perfection  
When you lose sight of yourself  
In your failing powers of recollection?

Tomorrow's just one day away  
I said the same thing yesterday  
Together whatever however forever

So why is it essential  
To be calm and collected?  
We all have crosses to bear  
But do we all have to be resurrected?  
Yes I'm sure and i try to believe  
But still I want more than you would give to me

Tomorrow's just one day away  
I said the same thing yesterday  
Together whatever however forever  
Tomorrow's just one day away  
I said the same thing yesterday  
Together whatever however forever  
Together whatever however forever  
Forever, ever, ever and ever
