

# Scarlet Beautiful

## The Beloved

Scarlet beautiful, with your eyes so blue  
Got to tell you that i'm in love with you  
My angel, innocent saint  
Innocent maybe, but angel you ain't

No, oh it just gets better each time

Well, scarlet beautiful, my guiding light  
Invisible on a cloudless night  
One kiss and you're in for the kill  
Oh, just hold me, do what you will

I know it just gets better each time  
Oh, it just gets better each time

Oh, it's just love, love, love, love, love...  
It makes you smile, it makes you strong  
Just love, love, love, love, love...  
It feels so good it can't be wrong  
It's just love, love, love, love, love...  
Holding on...

Scarlet beautiful, heaven can wait  
I can feel it, oh it feels great  
See the stars explode as they cross the sky  
It's beautiful, we kiss goodbye

Oh, it just gets better each time  
Oh, it just gets better each time

Yeah, must be love, love, love, love, love...  
It makes you smile, it makes you strong  
Love, love, love, love, love...  
Oh, feels so good it can't be wrong  
Love, love, love, love, love...  
Twice as nice, oh twice as long  
It's just love, love, love, love, love...  
Holding on...

Love, love, love, love, love...  
Love, love, love, love, love...

Oh it just love, love, love, love, love...  
It makes you smile, it makes you strong  
Love, love, love, love, love...  
Feels so good it can't be wrong  
Love, love, love, love, love...  
Twice as nice, oh twice as long  
Just love, love, love, love, love...  
It's holding on...

Sweet love, love, love, love, love...  
Sweet love

Oh, it's beautiful!
