

# The Sun Rising

## The Beloved

Movement outside, silence inside  
Restless lovers spread your wings as the day begins

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
It's just the sun rising

Learn to love your secret life, still calm and gentle life  
Your resolution comes too fast, now the night is past

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
It's just the sun rising

Smiling, gliding, breathless you're riding  
Love is just a state of mind that we leave behind

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
It's just the sun rising

Let yourself go

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
It's just the sun rising  
It's shining.

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
Sun rising

Life, love...
