## Up, Up and Away

## **The Beloved**

Step inside for some more of What you're missing or just unsure of Say goodbye to those dull days Inspiration will take you more ways

Up, up and away, hello new day! Oh, you're gonna feel so crazy You're gonna touch the sky You never felt so hazy, you've never been this high Just look around you, well it ain't no lie H a p p y

Come back down from your grey cloud Feel born again, say it out loud Don't you know hope can be found Take your foot out your mouth, come back down

Up, up and away, hello new day! Oh, you're gonna feel so crazy You're gonna touch the sky You never felt so hazy, you've never been this high Just look around you, well it ain't no lie H a p p y

Yeah, give the world a message that the word is yes It's quite impressive, it's real fresh A little understanding is the reason why H a p p y
