

## Wake Up Soon

The Beloved

David, ah, you shouldn't do that  
And maybe, well as a matter of fact  
Gotta have responsibilities  
And try your very best to please the wolves at your back

Don't go telling me  
that everything must have a reason  
Because you're wrong, 'cause you're wrong  
'cause you're wrong, wrong, wrong  
There's a whole world out there waiting for you  
if you'll just stop dreaming  
Wake up soon

And now Jimmy, oh, come on, listen to me good  
Because life don't come so easy  
Who told you that it would?  
Oh, so many people tell you what to do  
And you believe them, that's the trouble with you  
Just think for yourself!

And don't go telling me  
that everything must have a reason  
Because you're wrong, 'cause you're wrong  
'cause you're wrong, wrong, wrong  
There's a whole world out there waiting for you  
if you'll just stop dreaming  
you better wake up soon  
you better just stop dreaming

No, don't go telling me  
that everything must have a reason  
Because you're wrong, 'cause you're wrong  
'cause you're wrong, wrong, wrong  
Take your head out of the clouds  
find something to believe in  
You gotta wake up soon boy

Well, pretty soon, pretty soon  
You've gotta learn your right from wrong  
Oh, every day, every night  
Well, come on, learn to be strong

Well you're wrong, 'cause you're wrong  
'cause you're wrong, wrong, wong  
You better wake up soon you better just stop dreaming

So don't go telling me  
that everything must have a reason  
Because you're wrong, 'cause you're wrong  
'cause you're wrong, wrong, wrong  
There's a whole world out there waiting for you  
if you'll just stop dreaming  
you better wake up soon  
you better just stop dreaming

No, don't go telling me  
that everything must have a reason

Because you're wrong, 'cause you're wrong  
'cause you're wrong, wrong, wrong  
Take your head out of the clouds  
find something to believe in

Gotta wake up soon, boy  
Wake up soon  
Gotta wake up soon, boy

Yeah, wake up soon  
Better wake up soon, boy  
Wake up, wake up
