

# Harvesting a Loved One

The Berzerker

1 owner, hardly used  
Low mileage  
Medical records  
No refunds or exceptions  
Her spine is in very good condition

\$6000 for her eyes

Taken from the earth  
I'm severing your throat  
Don't wake  
Cutting up your corpse  
To sell on to others

Credit cards are swiped, now  
Sell your body parts  
It's OK  
How else can we make a living?

I'll take the parts and dismember  
The lower limbs and all that you desire  
It's like cutting a potato  
Peeling the skin and tearing the rest off

An arm here, body there  
On offer to the highest bidder  
We're shipping straight to you  
At the standard rates

Would you sell the parts of someone  
That you loved and cared for  
Only to find them on someone else?

A single body  
A forearm and hand

Taken from the earth  
I'm severing your throat  
Don't wake  
Cutting up your corpse  
To sell on to others
