

# Heavily Medicated

The Berzerker

Heavily medicated  
Powerless to stop it  
Desperate twisting thoughts of  
The horrors of the  
Ones that owe you something  
Most think they owe nothing  
Another shot of sake  
Tip your glasses

Concentrate and focus  
Forget all you know  
Appreciate the power  
Before the hate squad enters

Never seemed so clean

Sanitary conditions  
I will conquer all that I know

Life has no order

Life is life  
What can we do to bring back some Pride?  
Now that I know what's going to happen

Hate is the fuel that helps me survive

Ominous thoughts from my mind  
I don't believe I know what happened  
Double the dose and lie down  
I will never paint a pretty picture  
Always rely on myself  
Never really thought you would learn  
Sustained assault is my right  
Turning to the cross never thought  
I'd fight a Christian

Heavily medicated  
Powerless to stop it  
Desperate twisting thoughts of  
The horrors of the  
Ones that owe you something  
Most think they owe nothing  
Another shot of sake  
Tip your glasses

Concentrate and focus  
Forget all you know  
Appreciate the power  
Before the hate squad enters

Never seemed so clean

Sanitary conditions  
I will conquer all that I know

Life has no order

Life is life  
What can we do to bring back some Pride?  
Now that I know what's going to happen

Hate is the fuel that helps me survive
