The Beta Band

One is the loneliest number that you'll ever do
two can be as bad as one
it's the loneliest number since the number one

Cinematic synergy
a whole lotta energy
virtual reality
doomsday scenery
grab artillery

cinematic synergy
a whole lotta energy
virtual reality
doomsday scenery
grab artillery
burn the flag steadily
depression
driving a brand new chevy
water erase a liquid sunflower
verbal abuser underneath the stone shower
power in the hour
moon in the flower
for alone one is a glorious number
in the darkest days
touch our brightest ways
raincloud penetrating gray sunrays
electric rain
virtual mud
east the river Nile
babylonian flood
won't stay the shadow
I sleep for food or plate
unborn face still behind heaven's gate
for universe sake drink soda grape
high indigo skies wrapped in homicide scene

blondie said the tide is high
bobby-dee don't cry just dry your eye
with the bamboo sticks and the georgia sky
black goo bubbling on blueberry pie
the praying mantis grasshopper flew
everything old is everything new
nightmares first degree murder deja vu
this is what you know
what you don't know is the clue

one is the loneliest number that you'll ever do
two can be as bad as one
it's the loneliest number since the number one

new york rats running all around mars
how many nightmares imprisoned in scars
doctor chivago's cream creates wars
insecurity BMX melts in stores
Inhale your thoughts and - Exhale your wishes
before I trace the vocals I gotta do the dishes
Scream midelika mil-lacka starfishes

based on fuels why now mules want stitches
OJ sensation, in the meditation,
delta blues in the bloody liberation
Jome-Byez, diagonal fez, revolution
try to rap forcation, bird-eye sensation
Zillion kind of bees, but only one nation
Sun swims in oceans all aquatic-emotion
Invisible claws 'siehuga' the grafitti
Wanna see the music through the eyes of Stevie
