

# Wonderful

The Beta Band

She's so wonderful  
She's so wonderful  
She's so wonderful  
She's so wonderful

In time you realize  
It's all for you, I do  
In time you realize  
It's all for you, I do  
In time you realize

She's so wonderful  
She's so wonderful  
She's so wonderful  
She's so wonderful

And if I see her tonight  
Will I leave her alone now?  
And if you see her tonight  
Will you tell her I love her?

She's so wonderful  
She's so wonderful  
She's so wonderful  
She's so wonderful

In time you realize  
It's all for you, I do  
In time you realize  
It's all for you, I do

In time you realize  
It's all for you, I do  
In time you realize  
It's all for you, I do

In time you realize  
She's so wonderful
