```
She's so wonderful
She's so wonderful
She's so wonderful
She's so wonderful
In time you realize
It's all for you, I do
In time you realize
It's all for you, I do
In time you realize
She's so wonderful
She's so wonderful
She's so wonderful
She's so wonderful
And if I see her tonight
Will I leave her alone now?
And if you see her tonight
Will you tell her I love her?
She's so wonderful
She's so wonderful
She's so wonderful
She's so wonderful
In time you realize
It's all for you, I do
In time you realize
It's all for you, I do
In time you realize
It's all for you, I do
In time you realize
It's all for you, I do
In time you realize
```

She's so wonderful
