

Baby, am I in a daze? What is it about you?  
I've never been this hazy, seeing stars and smelling  
daisies.  
Tell me I'm not going crazy say you feel it too.

I have been hypnotized and mesmerized by you.  
I never met a guy that made me feel so good inside  
And I can see it in your eyes you feel the same way  
too.  
So what's your secret how did you get me to fall for  
you?  
Was it voodoo?  
I bet you knew I can't seem to get you off my mind.  
Twitterpated all the time.

(Chorus)  
Under your spell I have no chance  
(Baby I don't have a chance)  
Star struck falling fast into a trance  
(Oh-oh I admit I) Can't resist it I get overwhelmed  
With every kiss I fell under your spell.

Life was predictable, till I was swept away.  
My days were gray and dull I never thought it possible  
That your love would be capable of showing me the way.  
Now I'm obsessed and each caress just makes me long for  
you.  
What did you do? I bet you knew that I'm haunted by you  
all the time.  
And baby I don't mind.

(Repeat chorus)

(Bridge) x4    Baby am I in a daze...

(Repeat chorus)
