

Everyone Asks

The Bicycle Thief

Everyone asks
Well everyone calls and asks
Am I over you yet?
And I tell them yes
It's been almost a year
It'll be a year this November
And life is so strange, yeah
Life can be so unbearable

Why do I always
Call your name
If it doesn't stop
I'll go insane
I just know

I still have our dog
I just tell him you're
Gone for awhile
And nothing has changed
I still have our
Same old place
And I can't stop my mind
From wondering why
Is it something I did
Is it something that
I deserve

Why do I always call your name...

Well I've never thought
Of life without you
And I'm not gunna start
I never thought
I'd be without you

I can still see your face
I remember
The way you move
And it's just not fair
I'm just so lost
Without you
I still miss you so
I can't let you go
What kind of god is this
To take someone like you
From me

Why do I always call your name...
Why do I always call...
