

Hurt

The Bicycle Thief

Well...you can't hurt me
'cause I'm un-hurttable
and you can't scare me
'cause I'm un-shakable
and you can't touch me
'cause I'm un-reachable
and you can't get me
'cause I'm un-forgettable

I've decided
I'm not going through it again
I made my mind up
I'm not gunna to do it again

Well...I've done things
that are unforgivable
I've made mistakes
that are irreversible
So please don't give it
'cause I can't take it
I've made my bed now
I'm gunna lay in it

I've decided
I'm not going through it again
I made my mind up
I'm not gunna do it again

Well love and happiness
are inconceivable
So don't love me
'cause I'm unlovable
and don't tease me
'cause I'm un-temptable
and you can't be with me
'cause I'm un-be-withable

I've decided
I'm not going through it again
I made my mind up
I'm not gunna to do it again...
