

# Queen Of Broken Hearts

## The Bigger Lights

You'll go where the summer goes, jet set to the southern coast  
I know that tonight can't last forever  
But you'll flee when the party sleeps and I'll wake with the memory  
Of knowing in my bed and you inside my head  
I can't stay away from you, I can't stay away from you

I'm aware of what you are, and it t-t-tears me apart  
I'm a Jack to give myself to you, a Queen of broken hearts

Go slow, I'm keeping you close tonight, sneak out and get out  
Of our clothes before we slip away, I don't want to slip away  
To use me, you lose me, you move me to my knees,  
With filthy wine and shivers gone, we kiss without control

I'm aware of what you are, and it t-t-tears me apart  
I'm a Jack to give myself to you, Queen of broken hearts  
I'm alive and I can see, that you can't keep killing me  
I'm a King to play the lonely part, for my Queen of broken hearts

Can we make, make, make this last forever, I can't stay away from you  
Can we make, make, make this last forever, I can't get enough of  
Use me lose me, make me break me, tear me straight apart

I'm aware of what you are, and it t-t-tears me apart  
I'm a Jack to give myself to you, Queen of broken hearts  
I'm alive and I can see, that you can't keep killing me  
I'm a King to play the lonely part, for my Queen of broken hearts  
I'm a King to play the lonely part, for my Queen of broken hearts.
