

Again & Again

The Bird and the Bee

Again and again and again and again
Do it again, do it again
Again and again

It's a shame, it's a shame
It's a perfect shame
Creep under my door and we do it again, oh oh

It's so easy and easy
And easy and easy
And creepy and creepy
And creepy and creepy
Oh oh, again, again, again

Again and again and again and again
Do it again, do it again
Again and again and again and again
Do it again, do it again
Again and again

Say my name, say my name
Say my stupid name
It's stupid how we always seem to do it again, oh oh

You're so stupid and perfect
And stupid and perfect
I hate you, I want you
I hate you, I hate you
Oh oh, again, again, again

Again and again and again and again
Do it again, do it again
Again and again and again and again
Do it again, do it again
Again and again

La la la, la la la
La la, la la, la la
La la, la la, la la la

Again and again and again and again
Do it again, do it again
Again and again and again and again
Do it again, do it again
Again and again and again and again
Do it again, do it again
Again and again and again and again
Do it again, do it again
Again and again and again and again
Do it again, do it again
Again and again
