## **Polite Dance Song**

## The Bird and the Bee

Give it up for me please Put your hands in the air If you know what's good for you You'll wanna shake it like you just don't care

Would you please clap your hands? Now get up on your feet I beg of you to get up and dance It's such a crazy kick-ass beat

Pardon me, the music is moving Moving from left to right Apologies, for losing my cooling Losing today, tonight

Since I'm asking so nice Would you just entertain? There's nothing left to hide you away Just show a little bit of brain

Yes, that is what I mean That's the nail that I hit I try to be as coy as I can But I want to see your naughty bit

Would you please? Would you please? Would you? Would you please? Would you please? (Apologies, apologies) Would you? Would you please? Would you please? (Apologies, apologies) Would you please clap your hands?

Pardon me, the music is moving Moving from left to right Apologies, for losing my cooling Losing today, tonight

Would you be nasty with me? Do you like dancing with me? I think we have a very special quality

Would you please? Would you please? Would you? Would you please? Would you please? (Apologies, apologies) Would you? Would you please? Would you please? (Apologies, apologies) Would you please clap your hands?
