

I Think We're Alone Now

The Birthday Massacre

Children behave,
That's what they say when we're together.
And watch how you play,
They don't understand, And so we're

Running just as fast as we can,
Holding onto one another's hand
Trying to get away into the night.
And then I put my arms around you,
And you tumbled to the ground
And then I say..

I think we're alone now,
There doesn't seem to be anyone around.
I think we're alone now,
The beating of your heart is the only sound.

Look at the way,
I gotta hide what I'm doin'.
'Cause what would they say,
If they ever knew, and so we're,

Running just as fast as we can,
Holding onto one another's hand
Trying to get away into the night.
And then I put my arms around you,
And you tumbled to the ground
And then I say..

I think we're alone now,
There doesn't seem to be anyone around.
I think we're alone now,
The beating of your heart is the only sound.
I think we're alone now, (alone now)
There doesn't seem to be anyone around.
I think we're alone now, (alone now)
The beating of your heart is the only sound.

Running just as fast as we can,
Holding onto one another's hand
Trying to get away into the night.
And then I put my arms around you,
And you tumbled to the ground
And then I say..

I think we're alone now,
There doesn't seem to be anyone around.
I think we're alone now,
The beating of your heart is the only sound.
I think we're alone now,
There doesn't seem to be anyone around.
I think we're alone now,
The beating of your heart is the only sound.
I think we're alone now, (alone now)
There doesn't seem to be anyone around.
I think we're alone now, (alone now)
The beating of your heart is the only sound.
