

## To Die For

### The Birthday Massacre

Tighten your tie, boy  
You're something to die for  
But don't hold your breath now  
You're just killing time  
Tonight you can dream, boy  
Imagine a whisper  
If you can keep secrets  
Then I'll tell you mine

Remember a promise you couldn't hold on to  
Though it brings me to tears now  
I need you to know  
Look in my eyes, boy  
Nothing like yours now  
It seems that a lifetime  
Is passing us by

So open your eyes...

This is forever but it won't last long  
This is a memory that fades away in neverending  
In the death of all  
That's long been said and done before  
We'll wish that we were something more

Stop wasting time, boy  
You're late all your life, boy  
They won't have the patience  
For someone like you  
Your memory's fading  
I'll love you forever  
I'll try to remember  
I'll try to hold on

You're standing alone, boy  
Waiting for dreams, boy  
Waiting for something  
To make them come true  
Don't ever leave, boy  
I'd miss you too much, boy  
I'll never forget you  
As long as I'm here
