Beatbox Revelation Pt. 1

The Black Box Revelation

Is life for real? Is life for sure?
Is it a Hollywood movie with some famous actors?
Can't give the answer, never found the script
Otherwise I would be as rich as Madame Soleil

It isn't what it used to be We had it all in black and white Everything we had, we had it all for sure You had it wrong or you had it right

Can you imagine? Such a sneaky you? Better be safe than sorry Worship you colour-blind truth

Do you like books? Read my life It's a book that needs a sequel The author came to die
