

Love In Your Head

The Black Box Revelation

Aaaaaaaaaaaaaah

Aaaaaaaaaaaaaah

Aaaaaaaaaaaaaah

Aaaaaaaaaaaaaah

Love is living in a world without death

Life is nothing without love in your head

Love is living in a world without death

Life is nothing without love in your head

Love is good for you, it's true

Hate is bad for you, it's true

Love is living in a world without death

Life is nothing without love in your head

Love is living in a world without death

Life is nothing without love in your head
