

Sleep While Moving

The Black Box Revelation

ohhh we're in new york city
4 o clock and still not sleepin
eyes wide open in bed,
times where we gotta go

ya we gotta sleep while moving
ya we gotta sleep while moving
ya we gotta sleep while moving
gotta sleep while moving.

times go round and round
im knocked out and dreams get bored ya
when you call in the afternoon
breakfast at 9

ya we gotta sleep while moving
ya we gotta sleep while moving
ya we gotta sleep while moving
sleep while moving....

ya we gotta sleep while moving
ya we gotta sleep while moving
ya we gotta sleep while moving
gotta sleep while moving
