## The Black Crows

To be struck by the arrow of weakness  
On the gilded path to forgiveness  
And find my way home when the morning comes  
To stay your friend when it's all said and done

Simple as lightning, starting wild fire  
Just down from a trip off my high wire  
Just coming home to walk my own floors  
Just coming home to the one I adore

Appaloosa  
Appaloosa  
Appaloosa  
Take me home  
Where I can dream my days away

We took your tears back to the river  
Knowing all the while there'd be more later  
So it goes in a rainy day town  
Come on and won't you let me lay you down

Sometimes the sun makes beggars believers  
And sometimes the shrine is built to deceivers  
In between let oblivion ring  
Oh, let me hear all you sad angels sing

Appaloosa  
Appaloosa  
Appaloosa  
Take me home  
Where I can dream my days away

Appaloosa  
Appaloosa  
Appaloosa  
Take me home  
Where I can dream my days away
