

## Live Too Fast Blues/Mercy, Sweet Moan

The Black Crowes

Well I dream of a lady  
Like an angel comes to me  
And she cools me with water  
Cause I'm scared of the heat  
But when I'm gone lord have mercy on me  
When I'm gone lord have mercy on me  
Well I once held my promise  
In the palm of my hand  
And the twelve unopened letters  
I should rest baby when I can ?  
When I'm gone Lord have mercy on me  
When I'm gone Lord have mercy, baby on me  
Yeah when I'm gone Lord have mercy on me  
Yeah when I'm gone Lord have mercy, oh, on me
