

Death Panorama

The Black Dahlia Murder

In that very moment which life doth fade away
Ejected from my human shell exempt from time or space
Floating absorbing omniscient in display
A grandiose presentation unravels before me

Not in chronology but so wildly all at once
An open dioramic rendition of events
Some horrible integral just the same a
All pieces are key to the sum of the being
A strobe of emotions vivid extreme
The rapturous voyage through life's victories
The man that I once was I have left him behind

What kind of man does the assembled puzzle read
With soul spread open wide I calmly contemplate my destiny
