

## Bluewater Blackheart

### The Black Heart Procession

I fell like  
A dove into  
The desert  
Barely breathing  
My tears built an ocean  
I was out on a levee  
I was out on the jetty  
When I lost myself  
Into the water x3

They came at night  
And said to me  
'To rest is  
Forbidden  
You must move or drown away'  
I was out on a levee  
I was out on the jetty  
When I lost myself  
Into the water x3

I'll be alive - I'll squeeze through the light

I fell like  
A dove into  
The desert  
Barely breathing  
My tears filled an ocean  
I was out on a levee  
I was out on the jetty  
When I lost myself  
Into the water x7
