

## Busted

The Black Keys

Well, I'm busted  
Yes, I'm busted  
But my heart  
Won't let me die

If you feel alright, darlin'  
Won't you come around?  
Won't you come around?  
'Round, 'round, 'round, 'round

If you love me  
Like I love you  
Please, won't you  
Let me know?

I'll play it all night, darlin'  
Walk through my door  
Walk through my door  
Walk through my door  
Walk, walk, walk, walk
