

Busted

The Black Keys

Well, I'm busted
Yes, I'm busted
But my heart
Won't let me die

If you feel alright, darlin'
Won't you come around?
Won't you come around?
'Round, 'round, 'round, 'round

If you love me
Like I love you
Please, won't you
Let me know?

I'll play it all night, darlin'
Walk through my door
Walk through my door
Walk through my door
Walk, walk, walk, walk
