

# Everlasting Light

The Black Keys

Let me be your everlasting light  
The sun when there is none  
Im a Shepard for you  
And Ill guide you through  
Let me be your everlasting light

Let me be your everlasting light  
Ill hold and never scold  
In me you can confide  
When no ones by your side  
Let me be your everlasting light

Oh baby, cant you see?  
Im shining just for you  
Loneliness is over  
Dark days are through  
Theyre through

Let me be your everlasting light  
A train going away from pain  
Love is the coal  
That makes this train roll  
Let me be your everlasting light

Let me be your everlasting light

Let me be your everlasting light

Be your everlasting light
