

**Go**

**The Black Keys**

In the summer time  
When it's hot outside  
The streets are bare  
There's no one there  
And the valley is wide

There comes a time  
Two hearts of gold  
Live together  
Run forever  
On the open road

They gotta go oh-oh-oh  
Oh-oh-oh  
They gotta go oh-oh-oh  
Oh-oh-oh

In the winter time  
When the day is long  
You're halfway there  
The field is bare  
And the fire is gone

Are you all alone?  
Are you feeling cold?  
Find your flame  
Call her name  
And hit the road

You gotta go oh-oh-oh  
Oh-oh-oh  
You gotta go oh-oh-oh  
Oh-oh-oh

You gotta go oh-oh-oh  
Oh-oh-oh  
You gotta go oh-oh-oh  
Oh-oh-oh  
You gotta go oh-oh-oh  
Oh-oh-oh
