Heavy Soul

The Black Keys

Hear her calling, come to me Thought of her won't let me be Go to the valley, climb the hill Whatever it takes darling, you know I will Hey now darling Heavy soul darling Heavy soul darling Heavy soul darling Heavy soul darling Hear her callin', hurry home Been so long since I been gone I won't get tired, won't go astray I hear her callin', call my name Hey now darling Heavy soul darling Heavy soul darling Heavy soul darling Heavy soul Just my color, just my kind Got a heavy soul next to mine Heart's on fire, get no sleep Drive all night, no relief Yeah, now darling Heavy soul darling Heavy soul darling Heavy soul darling Heavy soul darling Heavy soul
