The Black Keys

Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio

Well the road  
It overtook me  
To the point  
Where I was blind  
My body was weak  
But not as much  
As my mind, oh my mind

I just can't get  
Can't get my feel  
Of those hills  
Oh but still  
No matter where I am  
In this land  
I feel alone, when I'm not at home

Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio

So if you  
If you see me  
Conquer down  
In your town  
I'm just watchin' the clock  
On the wall  
Till' I can go to the place I love most of all

Radiate  
Or just wait to die  
Break your back  
And never, never wonder why  
Get me home before I  
Before I lose my mind  
I need some space to let my  
My tape rewind

Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio  
Oh, oh, oh, oh, Ohio, hio
