

## Same Old Thing

The Black Keys

It don't matter where you've been  
The people try to do you in  
Every day till dawn  
There's some thievin' goin' on

Oh, oh no  
Hurt me so

Just the same old thing  
Just the same old thing  
No matter how much love you try to bring  
Just the same old thing

You got a callous heart  
From being torn apart  
Now you labor every day  
Love life drifts away

Oh, oh no  
It hurts me so

Just the same old thing  
Just the same old thing  
No matter how much love you try to bring  
Just the same old thing
