

# Set You Free

The Black Keys

You hold on to love that's gone  
Run a mile to see him smile  
But you don't know he's door to door  
Playin' you for the fool

Let him go  
Walk out your door  
And come to me  
I'm gonna set you free

Now you know, there you go  
Back to him, he's gonna do you in  
Tear you down and run you 'round  
Treat you wrong and then you're gone

Let him go  
Walk out your door  
And come to me  
I'm gonna set you free

You hold on to love that's gone  
Run a mile to see him smile  
But you don't know he's door to door  
Playin' you for the fool

Let him go  
Walk out your door  
And come to me  
I'm gonna set you free

I'll set you free  
I'll set you free  
I'll set you, I'll set you free  
I'll set you free
