Strange Desire

The Black Keys

Ooh... ooh... ooh... Ooh... ooh... ooh... I don't wanna go to hell But if I do It'll be 'Cause of you Any young man Gonna make mistakes Until he hits the breaks My heart's on fire With a strange desire Ooh... ooh... ooh... Ooh... ooh... ooh... All those birds On the wire Are gonna say I'm a liar

But we all know In the end They never were my friend

My heart's on fire With a strange desire
