

## Them Eyes

The Black Keys

Hey, can you see my cryin'  
Hey, don't you see me dyin'  
When I look into them eyes

I know that I did you wrong  
The pain it lasted so long  
But if you don't bring me back this time  
I swear I'm gonna lose my mind

Hey, can you see me running  
Hey, don't you know I'm comin'  
When I think about them eyes
