

# Too Afraid to Love You

The Black Keys

My gears they grind  
More each day  
And I feel like  
They're gonna grind away

And the city blocks  
They drive me wild  
They're never ending  
Mile after mile

I just don't know what to do  
I'm too afraid to love you

It's heaven on earth  
In her embrace  
Her gentle touch  
And her smiling face

I'm just one wishing  
That I was a pair  
With someone  
Oh somewhere

I just don't know what to do  
I'm too afraid to love you

All those sleepless nights  
And all those wasted days  
I wish loneliness would leave me  
But I think it's here to stay  
What more can I do  
I'm wringing myself dry  
And I can't afford to lose  
One more teardrop from my eye
