

## Work Me

The Black Keys

Baby, work me  
Till I won't look on  
Baby, work me  
Till I won't no more

Want you to work me, baby  
Lord how, make me feel it

Want you to do me  
Baby, I will do you, too  
If you do me, ahh  
Baby, I will do you, too

Want you to work me, baby  
Lord how it make me feel, yeah
