The Black League

Alright!

God bless me for my sins  
God bless me for my evil deeds  
For I've done wrong  
Thatnk god for my disease  
And praise the lord for my lurid needs  
I f\*\*kin' need'em!

I'm doin' fine!  
I won't cross the line  
Till I leave this living hell  
It's man's ruin again  
Man's ruin again!

God bless me for my wounds  
God bless me for my scars as well  
I'm goin; to hell babe!  
Thre ain't no cure for my disease  
Until I cease to exist  
Well life's a bitch anyway

It's man's ruin again!  
Man's ruin again!
