

Rex Talionis (A.K.A. "the Foe")

The Black League

REMEMBER me, OL' FRIEND?

Gonna take you ROUND the BEND
Gonna BRING you to a place
Where your LIFE will END - for good!

We all need ENEMIES! We need our NEMESIS!
And we need. Someone to HATE.

I'll lead you THROUGH that GATE
To your FINAL resting place
It's a junk yard full of SCUM
Like the PIECE of SHIT that you are!

We all need ENEMIES! We need our NEMESIS!
And we need. Someone to HATE.

[Lead - MV]

Hate. Hate. Hate. Hate.

(Goddamn you!)

[Lead - AR]

Now I hold a BRICK in my hand
And I smash your SKULL in HALF.
Gonna do it AGAIN and AGAIN
Till there's NOTHING left
Of your WRETCHED life!

We all need ENEMIES! We need our NEMESIS!
And we need. Someone to HATE.

Hate. Hate. Hate. Hate.

(Aaaaarrrrrgh!!!)
