

The Everlasting Iv

The Black League

[Jarva et al.]

I can still hear the SOUND of your FOOTSTEPS. When you went AWAY

The SCENT of your perfume in the DOORWAY. Still LINGERS ON though

you've gone AWAY

And the ECHO of your FOOTSTEPS. in the HALLWAY. Keeps HAUNTING me at night when I cannot SLEEP.

I'm gonna miss you. Girl, I miss you. God, I miss you so.
